

Strengthening crime victim rights and improving victim services statewide.

Wall of Memories

Washington Coalition of Crime Victim Advocates

Would you like to honor your loved one who was a victim of homicide? The Washington Coalition of Crime Victim Advocates is creating a "Wall of Memories" on their Facebook page.

WCCVA is inviting co-victims (survivors of homicide victims and their friends and families) to provide a photo of their loved one and a brief dedication. WCCVA will then post both the photo and dedication on their Facebook page "Wall of Memories."

To submit: Send a digital photo of your loved one and we suggest including the following: Name of the victim, date of death, a brief dedication/information about who they were when they were alive. Optional: one sentence about the manner of their death, for example, "Victim of a drunk driver with 3 prior DUIs."

E-mail your submission to admin@wccva.org

*Submissions will be unveiled
September 20th to commemorate
the National Day of Remembrance
on September 25th.*
